ABOUT US

Engineering Experience You Can Trust

Neerat Enterprise is an engineering-driven sourcing and export company located in the **Chakan Industrial Area, Pune** — one of India's leading manufacturing hubs.

Founded by a Mechanical Engineer with over **20 years of experience** in sourcing Fasteners, Forgings, and Precision Machined Components, the company has built strong partnerships with qualified manufacturers across India.

Today, we proudly serve automotive, engineering, industrial equipment, construction, electrical, agricultural, and OEM customers with premium-quality industrial fasteners.

We are now expanding globally to become a trusted export partner for standard and custom-engineered fastening solutions.

Timely Delivery

Custom Manufacturing Support

OEM & Private Label Supply

Small to Bulk Quantity Supply

Reliable Communication

Experience You Can Trust

Quality You Can Rely On

Service You Can Count On

Partnership You Can Build On

BUILDING STRONGER CONNECTIONS WORLDWIDE

NEERAT ENTERPRISE

ENGINEERING FASTENER SUPPLIER & EXPORTER INDIA

OUR PRODUCT RANGE

20+ YEARS EXPERIENCE

Four Fastener Categories, One Reliable Partner

1 STANDARD HIGH TENSILE FASTENERS

Complete range of standard metric fasteners per international standards.

2 STAINLESS STEEL FASTENERS

Corrosion-resistant fasteners for demanding industrial environments.

3 BRASS FASTENERS

Precision brass fasteners for electrical & engineering industries.

4 NON-STANDARD & CUSTOM FASTENERS

Custom-engineered solutions built to your drawings & specifications.

- Consistent Quality
- Competitive Pricing
- On-Time Delivery
- Global Export Expertise
- Strong Customer Support

NEERAT ENTERPRISE

ENGINEERING FASTENER SUPPLIER & EXPORTER INDIA

20+ YEARS EXPERIENCE

01 PRODUCT RANGE

STANDARD HIGH TENSILE FASTENERS

Complete range of standard metric fasteners manufactured as per international standards.

PRODUCTS

- Hex Bolts
- Hex Screws
- Hex Nuts
- Washers
- Stud Bolts
- Socket Head Cap Screws
- Countersunk Screws
- Button Head Screws
- Set Screws
- Threaded Rods

MATERIAL

- Carbon Steel
- Alloy Steel

PROPERTY CLASS

8.8 | 10.9 | 12.9

APPLICATIONS

- Automotive
- Industrial Machinery
- Construction
- Agriculture Equipment
- Heavy Engineering
- Power Transmission
- OEM Manufacturing

Chakan MIDC,
Pune 410501,
Maharashtra, India

EXPORTING WORLDWIDE

PRECISION FASTENERS • TRUSTED QUALITY • GLOBAL REACH

NEERAT ENTERPRISE

ENGINEERING FASTENER SUPPLIER & EXPORTER INDIA

20+ YEARS EXPERIENCE

02 PRODUCT RANGE

STAINLESS STEEL FASTENERS

Corrosion-resistant stainless steel fasteners suitable for demanding industrial environments.

PRODUCTS

- Hex Bolts
- Hex Nuts
- Washers
- Socket Screws
- Machine Screws
- Threaded Rods
- Studs
- Customized Components

MATERIALS

SS304 | SS316 | SS202

APPLICATIONS

Food Processing | Chemical Plants | Marine | Pharmaceutical | Solar | Construction | Water Treatment

Chakan MIDC,
Pune 410501,
Maharashtra, India

EXPORTING WORLDWIDE

PRECISION FASTENERS • TRUSTED QUALITY • GLOBAL REACH

PRODUCT RANGE

Brass Fasteners

20+ YEARS EXPERIENCE

High-Precision Brass Fasteners for
Electrical, Industrial & Engineering Applications

OUR PRODUCTS

Brass Screws

Brass Bolts

Brass Nuts

Brass Washers

Brass Inserts

Brass Studs

Brass Electrical Terminals

Brass PCB Spacers

Brass Anchors

Custom Brass Components

MATERIAL

- High Grade Brass (CZ121 / IS 319 / BS Grades)
- Nickel Plated Brass
- Tin Plated Brass
- As Per Customer Specification

FEATURES

- High Corrosion Resistance
- Excellent Electrical Conductivity
- Precision Threads
- Durable Finish
- High Dimensional Accuracy
- Long Service Life
- RoHS Compliant

APPLICATIONS

Electrical | Electronics | Switchgear | Instrumentation | Telecommunication | Renewable Energy | Automotive | Construction | Control Panels | Industrial Equipment

WHY CHOOSE OUR BRASS FASTENERS?

- Premium Quality Raw Material
- Precision CNC Manufacturing
- Strict Quality Inspection
- Custom Sizes & Drawings Accepted
- Bulk Supply Capability
- Competitive Export Pricing
- On-Time Worldwide Delivery

EXPORTING WORLDWIDE

PRECISION ENGINEERED | CORROSION RESISTANT | RELIABLE PERFORMANCE | GLOBAL EXPORT QUALITY

NEERAT ENTERPRISE

ENGINEERING FASTENER SUPPLIER & EXPORTER INDIA

20+ YEARS EXPERIENCE

04 PRODUCT RANGE

NON-STANDARD & CUSTOM FASTENERS

Custom-engineered fastening solutions manufactured according to customer drawings and specifications.

CAPABILITIES

- Custom Diameter
- Custom Length
- Special Thread
- Special Head Design
- Special Coating
- Prototype Development
- Mass Production
- OEM Supply

INDUSTRIES SERVED

- Automotive
- Defense
- Railway
- Oil & Gas
- Mining
- Heavy Engineering
- Material Handling
- Machine Builder

NEERAT ENTERPRISE

ENGINEERING FASTENER SUPPLIER & EXPORTER INDIA

20+ YEARS EXPERIENCE

QUALITY ASSURANCE

Inspected at Every Stage

Every shipment is supplied through qualified manufacturing partners following stringent quality practices.

Dimensional Inspection

Thread Inspection

Visual Inspection

Mechanical Property Verification

Material Traceability

Packing Verification
